CLEAR AND STRAIGHTFORWARD

Important Information

We will provide a personalised fee illustration before your child starts through Ovivio, our parent application. It will show the agreed attendance pattern, funded hours and regular payment amount. Our minimum attendance per week is two days; this supports consistency, development and regular access to enrichment activities on offer at Little Brambles.

Funding Codes

Eligible working families receive an 11 digit code through their government childcare account. Please provide the code in time for validation and reconfirm eligibility when required.

Monthly Payments

Year round contracted fees are divided into equal monthly Direct Debit payments. Term time illustrations are based on 38 funded weeks and divided into 10 equal monthly payments.

Tax Free Childcare

Little Brambles accepts Tax-Free Childcare towards the privately paid element of nursery fees. Eligible families may also be able to reclaim private childcare costs through Universal Credit Childcare.

Availability and Eligibility

Funded and term time places are subject to availability. Eligibility, entitlement start dates and attendance sessions remain subject to government and local authority requirements and our terms and conditions. Local Authority change their funding entitlement agreements in April each year; this pricing may be subject to change upon review.

Questions About Fees or Funding

Please speak to a member of our team. We will happily talk you through the options and help you find the right package for your family.
